2014 HTAA Conference – Brisbane

Tuesday 30th September – Thursday 2nd October 2014

The theme of this year's conference is "History for the Future: What Future for History?" and aims to challenge teachers to think about the Discipline of History and what it means to be History Teachers, and so to develop our capacity to deliver effective and meaningful learning experiences in Australian classrooms. There will be seventy one workshops and excursions available over three days in sunny Queensland.
